

touchstone

SOLID WOOD

With over 12 years serving the leisure and education sectors, *touchstone* has built an enviable reputation for quality, service, and value for money. *touchstone* can supply only or

supply and fit solid wood, engineered boards or quality commercial laminates. Sanding and Sealing using first class machinery means we can renovate your wooden floor to give an as new appearance. We use only first class polyurethane seals, oils or waxes from trusted manufacturers to give your floor a new lease of life.

We can offer an expert opinion on any remaining life in your floor. We can remove, relay, re-sand and reseal. Whether it's a top quality solid walnut, maple or a contract quality engineered board, *touchstone* has a value for money solution to meet your needs.
