SAMPLE CASES & PADDLE MIXERS

touchstone Sample Cases

touchstone can supply sample cases for their whole range of products including coloured Sand and Quartz stone 2-3mm, Marble Pebbles, Epoxy SL's, PU SL's (UV Stable). These very professional attache type cases allow your customers a large choice of colours with over 45 colours and colour mixes. We can also make sample cases up to your specifications. Our standard cases are produced for sale at cost. Coloured aggregate is available for both internal applications and special UV resistant for external.

touchstone Site Paddle Mixers

This light weight 1.5Kw paddle mixer has been site tested over four years and is extremely reliable. This mixer is very light weight 90kg and can be lifted by two men and transported in a small van. It is single phase and runs off 110 volt. It can mix screeds loads up to 100kg with safety guard attached. The paddles have rubber covers for ease of cleaning. A swivel door in the floor of the mixer enables the user to pour the mix directly into a wheel barrow. This paddle mixer ensures a very thorough mixing action.
